# Best for English Exam Candidates

Designed for students planning to apply to a college, university, or graduate school in the United States, Q International School's Test Preparation Program helps students develop strong language and test-taking skills for success in standardized exams.

**IELTS / TOEFL Preparation** These programs help students build the skills and confidence needed to achieve high scores and prepare for academic life in the U.S. Depending on your academic goals and university preferences, you may choose between the IELTS or TOEFL preparation track.

**GRE / GMAT Preparation** These advanced programs cover all key components of graduate exam preparation, including test-taking strategies, analytical writing, mathematics, and critical reasoning. Based on your target institution's requirements, you may choose between the GRE or GMAT preparation programs
